Offer for Fall, 1905, the following Buds, Scions, Cuttings and Young Stock for Nurserymen and Planters.

Published July 10th, 1905.

Boxing, Bailing and Packing.—Prices herein do not include same. A moderate charge will be made for such, but no charge for delivering to railroad depot or express office here.

Terms—Orders will be entered subject to terms and conditions to be published for the current year [which will not differ materially from those published last season.]

Certificate of Inspection will be Furnished With Each Shipment.

Fumigation of Stock.—Same will be done when requested to do so, or where a state to which the stock is to be shipped makes it compulsory to do so. Formula to be used will be such as may be recommended, or recommended by state or states; but it must be understood that we will assume NO RESPONSIBILITY for results when we have carried out such instructions.

Note.—In ordering buds, not less than ten of a sort, will be furnished at the **10** rate, nor less than a hundred at the **100** rate, nor less than five hundred at the **500** rate, nor less than one thousand at the **1000** rate.

From Photo Showing Scions Ready for Packing.

Scions and Cuttings For Delivery After November 15.

Note.—Quotations on this and following page are per 1000, per 500, 100 and per 10 of a sort. Orders for less quantity of a sort than quoted on will be charged the next higher rate of Apple, Pear and Plum Scions.

The figures preceding the name of Apple, Pear and Plum Scions give the approximate number of Scions remaining unsold when this list is issued. Where no numbers are given we have already booked orders for the quantity we estimate we can do. After shipping season begins we may find that we can do more or less of these sorts.

Note.—SCIONS will be cut 10 inches and all up regardless of caliper. Scions cut 5 to 8 inches priced on application.
